

REMARKS

This Amendment is in response to the Official Action of May 19, 2006. In such Official Action, Claims 85-92 were allowed and a previous Restriction Requirement relating to Claims 91 and 92 was withdrawn. It was also set forth in the Official Action that Claims 93-104 were directed to a non-elected invention and need to be cancelled before a patent based on the Application can be issued. Accordingly, Claims 93-104 have been cancelled herein without prejudice. It was yet further set forth in the Official Action that prosecution on the merits was closed in accordance with the practice under Ex parte Quayle, whereupon it is submitted that the instant Amendment places the Application in form for allowance and to be passed to issue.

Respectfully submitted,

MASON, MASON & ALBRIGHT
